15 to play

Most of the guys we've been playing with don't belong to MPC, but we've been playing together for about 7 years.

If we have enough interest, we could field a 2nd team. We'll see. The more the merrier.

We won't start up until the first week of June.

We finish up in early Sept - if we make the playoffs.

It's usually the same night every week, we've been playing on Mondays the past few years but that could change.

Times are 6 30, 7 40, or 8 50.

We won't know for this season until after the coaches meeting in late April.

The church has kicked in \$ 500 of the normally \$ 650 team fee, and I ask those playing to kick in \$25 each to cover the balance and for balls.

The games are played at Northside Drive Baptist and Mount Vernon Baptist. One game a week, unless we have to play another to make up a rain-out game. No practices, just come out, play ball, and have fun. It is a men's league and you have to be 15 to play.
