MONTH AT GLANCE - JUNE 2021

WORSHIP . SERVE . GROW . BE

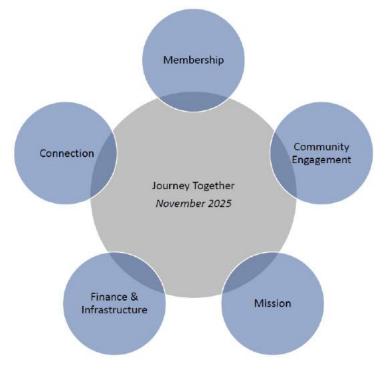

logether

e're back! What a gift it has been this month to gather again in the sanctuary for worship! We rejoice that as the pandemic wanes and many in our community are vaccinated, we are finally able to "be together" in a way we have longed for these many months. This summer is a season of hope-filled transition. We will maintain a number of safety protocols and continue to exercise caution as life enters a new normal. At the same time, your leadership is planning toward a full and fruitful fall, listening to the community and the Spirit as we seek to follow Christ.

With joy in the journey, Pastor Katie

STRATEGIC PLANNING LISTENING SESSIONS

Throughout February and March of this year, our Strategic Planning Team lead listening sessions with you. Through open discussion of guided topics and questions like, "What would you like MPC to look like on its 100th birthday (November of 2025)? What would you like to see?", five valuable themes arose: Membership, Community Engagement, Mission, Finance/Infrastructure, and Connection.

As we journey together toward our 100th anniversary and beyond, we will continue to ask questions to help us expand, listen, and grow.

MEMBERSHIP

"How could we be more welcoming and diverse? How could we grow membership?"

COMMUNITY ENGAGEMENT

"How could we better engage our neighbors? How can we better use our space?

MISSION

"How can we expand mission outreach? How could we form possible partnerships for ministry? What does contemporary ministry look like?

FINANCE/INFRASTRUCTURE

"How could endowments and savings ensure stable financial footing? How can we better use our space?"

CONNECTION

"How can we better leverage our technology for those at a distance? How can we expand our pastoral care and outreach programs?

JUNE PREACHING SCHEDULE

"AT THE THRESHOLD"

We stand in a time of transition, at the threshold of what was and what is yet to come. Throughout scripture, we find stories of faithful servants standing at points of decision and transition. What can we learn from them about how we can faithfully make this transition into a new, yet familiar way of being church post-pandemic?

For the remainder of the summer, we'll explore:

"A PSUMMER OF PSALMS"

For any of you who have ever wondered how to pray or how to speak to God, the Psalms offer us language and music to approach the Holy. Whether you need to lament, to rejoice, or something in between, the Psalms give us permission and in fact invitation to bring our full selves to our relationship with God. No matter where you are emotionally or spiritually, there is a psalm for you.

PRAYING FOR YOUR SESSION AT WORK

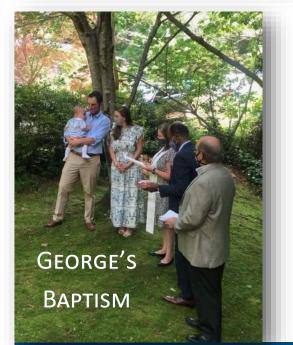

Your elders on Session are responsible for setting the course for us as a community. Joyfully, we met for the first time in more than a year in-person. As we emerge from the pandemic, your leadership has been busy! Here are some of the tasks your Session has been focused on in recent months:

- Approval of 8 baptisms in the coming weeks
- Approval of communion and a guest preacher for the Ordination of Amanda Kemery on June 20
- Discernment about how we emerge from the pandemic as a community, including reopening practices, masks, and other Covid protocols
- Receiving the conclusions and themes from the spring listening sessions as the Session prepares to clarify areas of strategic focus for the coming year
- Shifting to hybrid adult Sunday School and celebrating a successful year of ZOOM Sunday School offerings
- Empowering Facilities team to explore possibility of sale of small portion of undeveloped church property
- Facilities team update on negotiations with city to repair N. Morningside curb
- Launch of the Nancy Frampton Rising Artist Series in 2022

In August, the Session will meet for a half-day retreat to discern areas of focus for us as a congregation in the coming year. There is much to celebrate and, in the spirit of Pentecost, many visions and dreams yet to come.

TEACHER APPRECIATION

On May 27, MPC is hosted a Teacher Appreciation Lunch at Dobbs. We applaud the commitment and determination of these fine people. And a big shout-out to Shepherd Leslie Prince for organizing this!

TUTORING AND VOLUNTEERING

There are high hopes to be back in the school for in-person tutoring next year, starting Sept 2021. If so, there will be an urgent need for more MPC volunteer tutors to help our kids recover from last year's school interruption.

Stay tuned for information about Teacher Appreciation events and School Supply collections! Contact <u>Bill Means</u> to get involved.

TUTORING AND VOLUNTEERING

There Dobbs Elementary is now a COGNIA-certified STEM school! STEM is an approach to learning and development that integrates the areas of Science, Technology, Engineering and Mathematics. Shepherds Leslie Prince and Bill Means were part of the certification interview, along with other partners of Dobbs, like the Georgia Aquarium and the water research firm Acquagenuity. Leslie and Bill explained how Morningside has been involved with Dobbs STEM activities, and COGNIA was impressed with what they heard. That same afternoon, Leslie and Bill found out Dobbs had received the certification! MPC member and Atlanta Public School District 1 Board Member Leslie Grant says she is very proud of Dobbs and our hardworking tutors!

IT'S A FAMILY AFFAIR

MISSION OPPORTUNITIES FOR ALL AGES!

As the end of the quarantine tunnel seems in sight, Did you know that all of our MPC Mission Outreach partners have family-friendly opportunities? For example, some of our Meals-on-Wheels delivery volunteers have taken their children with them on their routes. Some of the more isolated seniors that MOW serve really enjoy visiting with the kids. Consider these opportunities as our children get vaccinated.

• Dobbs Elementary's June Kinder Kamp tutor are welcome to bring their children or grandchildren along.

- You and your family can volunteer at the Saturday pantry of longtime MPC partner Intown Collaborative Ministries or have a family ride-a-long as you deliver food to homebound ICM clients.
- MPC hosts a bi-monthly Saturday night meal at Clifton, so look out for details on how you and your family can participate. Clifton also has a new garden that welcomes people of all ages to help out with!
- All of the activities of our new C.A.R.E. outreach (Cultivating Awareness Renewing Energy) have been family-friendly, such as the Ash Wednesday gardening craft project, the Netflix Kiss the Ground watch party, and the variety of hikes that many of us enjoyed in May.

RHO READERS

Sunday, June 20 @ 1:00 via Zoom

RHO Readers June selection is *Shakespeare for Squirrels* by Christopher Moore. Amazon says, "Shakespeare meets Dashiell Hammett in this wildly entertaining murder mystery from New York Times bestselling author Christopher Moore—an uproarious, hardboiled take on the Bard's most performed play, *A Midsummer Night's Dream*, featuring Pocket, the hero of Fool and The Serpent of Venice, along with his sidekick, Drool, and pet monkey, Jeff. A rollicking tale of love, magic, madness, and murder, Shakespeare for Squirrels is a Midsummer Night's noir—a wicked and brilliantly funny good time conjured by the singular imagination of Christopher Moore."
